Oceanic STR - Aboveground Swimming Pools

Description

Oceanic STR - Aboveground Swimming Pools

The STR version of the popular Oceanic model is a traditional steel pool with vinyl-coated steel uprights with an attractive curved vinyl-coated Steel Top Rail or Ledge.

*Aboveground Pool Installs and Electric Service to Pools are not Included in the Price

ESP Advantages

Enhanced Structural Polymer Components

- **More Uprights on Every Pool.**

Resulting in a stronger top ledge that offers maximum stability.

- **Oversized Corrosion-Free Foundation System.**

Providing a long lasting foundation that continuously stands up to heavy weight and corrosive soil conditions.

- **Exact-fit Components.**

No universal components that leave extra holes open, all parts are made specifically for one size pool. Resulting in pool components that lock out corrosion.

- **Optional Wall Saver Panel.**

Designed to withstand stress at the point where water enters and exits the pool for filtration.

- **Stainless Steel Fasteners.**

High grade stainless steel nuts, bolts and fasteners, eliminating the worry of rust spots on your pool.

- **Interlocking Stabilizer Rails**.

Fits tightly over your liner and the top of the pool wall. locking the liner in place to increase its life.

Features

- 10" Damask Top Ledges
- 9" Printed Damask Uprights
- Two Piece injection molded resin ledge covers
- Stainless Steel Hardware
- Aluminum stabilizer and resin bottom rail

The Oceanic STR's curved top ledge, provides a perfect look and extra rigidity. Engineering and design complement each other to give you a beautiful, top quality pool value. The Oceanic STR will become the central part of your backyard enjoyment.

The Oceanic STR's Oval Pool System is available with the Yardmore Buttress Free Oval System. This streamlined system was designed to use less space in your backyard. A structurally simplified design with the superior strength and durability of our traditional construction that is both efficient and attractive.
