Product Code: 23241BIO

Availability: In Stock

Weight: 0.00oz

Dimensions: 0.00ft x 0.00ft x 0.00ft

Price: \$20.99

Description

4 lbs Bag - Mineral Springs Renewal

What it does

Mineral Springs[®] Renewal[®] is specially formulated with water softening agents (SilkGuard[®]) to enhance your swimming pleasure by softening water.

SilkGuard[®] reduces the build-up of scale deposits in your pool, including your chlorine generator cell, pumps, ladders, and heaters. SilkGuard[®] leaves your pool feeling silky smooth while protecting your swimming pool investment. Mineral

Springs[®] Renewal[®] also helps maintain water balance by reducing pH that naturally increases in saltwater pools. Mineral Springs[®] Renewal[®] incorporates a water clarifier that keeps your water sparkling and brilliant.

Features

- 15-35%* sodium hydrogen sulphate
- 2-13%* boric acid
- 1-7%* aluminium sulfate

- pH 2.0-2.5
- Compatible with Mineral Springs[®] and saltwater systems
- Contains SilkGuard[®] technology

Benefits

- Replenishes minerals
- Softens water
- Prevents scale formation
- Protects equipment
- Helps maintain water balance
- Makes water sparkle

Directions for Use

Directions for Use

1. To maintain soft, gentle, sparkling pool water add
 - 1 pound (Approximately 1 ½ cups) per 5,000 gallons of water per week.
2. Broadcast evenly around the edges in the deep end of the pool when the pool is not in use.
3. Add when pump and filter are running.
4. Reapply after heavy rain showers (2 inches of rain within 24 hours).
