This is the real difference-maker! FROG<sup>®</sup> Leap<sup>®</sup>'s Sanitizing Minerals create Fresh Mineral Water<sup>®</sup> in your pool — something no other product delivers. The combination of Minerals plus a low level of chlorine fight the battle of bacteria and deliver clean, crystal clear water that feels supremely soft. The prefilled Cartridge makes replacement easy — it's no mess, no guess and no stress!

- Kills bacteria
- Helps keep pH balanced and absorbs acids
- Conditions the water for softness
- Minerals are good for 6 Months

The Anti-Bac Mineral Pac is full of time-released active minerals. Effectiveness starts when the minerals are wetted and lasts for 6 months. Replace every spring or every 6 months, whichever is shorter. It's the combination of Minerals plus a low level of chlorine that reduce chlorine use up to 50%\* and give you all the benefits.
