Black Diamond 90 sqft Cartridge Filter

Brand: Blue Torrent
Product Code: AC90BD
Availability: 73
Weight: 0.00oz
Dimensions: 0.00ft x 0.00ft x 0.00ft

Price: $259.00

Description
Simple Clean Filtration
90 sq ft Multi-Stage High Efficiency Filter System

Filters down to 5 Microns, 4 times more efficient than sand filters

Black Diamond Cartridge Holds More Debris and Allows for Better Flow Due to Mesh Webbing in Pleats

Black Diamond Cartridge Technologies gives support and reinforcement for stability and longer life of its filters, therefore reducing operating costs. Our fan-pleats are front supported in place by "banding" the tips. By reinforcing the backside of the filter element with our Black Diamond Chain Link Webbing through out; pressure flow of fluids are distributed more evenly and reduces "bunching". The center core is a tough molded plastic with more holes and evenly spaced for consistent pressure flow. Our cartridges are designed for longer life, stability and reduced operating cost.

Features

• Holds up to 18 lbs of debris & dirt
• "No-Tool" servicing
• High impact polymer construction
• Eco firendly
• Pocketbook kind - Saves You $$$

Includes

- Simple Clean System Filter tank
- Filter base
- Black Diamond element
- Molded connection hose
- Pump union
- 6 ft connection hoses
- Slide valves
- Hose fittings
- Mounting hardware
