

Simple Salt Test Strips

Brand: Simple Products

Product Code: 512170

Availability: 234

Weight: 0.00oz

Dimensions: 0.00ft x 0.00ft x 0.00ft

Price: \$9.99

Description

Mineral - an ideal mineral level helps to destroy bacteria and other unwanted contaminants

pH - maintaining a proper pH level helps prevent scale formation and corrosion which can lead to costly repairs

Total alkalinity - a correct level of total alkalinity prevents sudden pH changes
