Description

Wedding Cake Style Deck to Pool Entry Steps

- Injection Molded ABS offers long lasting glossy finish
- Integrated segmented construction offers superior strength
- Will not flex or sag like blow molded or molded steps
- No weights required
- Built in foam cushion works in conjunction with a step mat
- Ventilated step surface helps reduce algae by allowing chemicals to get into the step
- Non-Skid stair treads
- Includes hand rail and deck mounting bracket
- Recommended for pools 15 foot or larger in diameter.

FREE LINER GUARD

- 48" x 56"
- Step Liner Guard
