FROG Serene eliminates organic contaminants 2 ways with a low level of bromine plus FROG Sanitizing Minerals, plus bromine use is reduced up to 50%* so water feels more comfortable

Unlike chlorine, bromine slowly dissolves in hot water so it's easier to regulate, has far less odors and is less impacted by pH swings making sanitizing more effective

Two additional Bromine Cartridges give you weeks and weeks of ahhmazingly Cleaner, Clearer, Softer water that's easier to care for.

FROG Sanitizing Minerals plus a low level of chlorine eliminates organic contaminants 2 ways – your pool stays Cleaner, Clearer, Softer and is Easier to care for
