Brand: Simple Products

Product Code: 792857005795

Availability: 9

Weight: 0.00oz

Dimensions: 0.00ft x 0.00ft x 0.00ft

Price: \$11.99

Description

For use on DE filter elements and spa and pool cartridges. Removes body oils, scale, minerals and other debris.

Directions: Remove cartridge or D.E. element from filter housing. Hose off any loose debris on the element. Thoroughly wet filter element with water. Spray FC-5 liberally over surface area of filter element. Let set for 3 - 7 minutes. Thoroughly rinse the element with water (improper rinsing may cause foaming in pool or spa). Heavily soiled filter elements may need a second application.
