Product Code: FWWKPHALF
Availability: 230
Weight: 0.00oz
Dimensions: 0.00ft x 0.00ft x 0.00ft

Price: $42.99

Description

1/2 Gallon - Kleen Pool Algaecide

Kleen Pool is a trademarked and EPA-registered algaecide that delivers high definition water clarity by quickly killing existing algae and protecting your pool for up to six months. Our proprietary blend is based on natural, essential minerals that break down algae effectively and safely.

Apply Kleen Pool just twice per year, at the beginning and end of each season, for best results. Kleen Pool is ideal for both chlorine and salt systems. Kleen Pool is protecting

both residential and commercial pools today.

1/2 gallon of Kleen Pool treats 10,000 gallons

KLEEN POOL®
LONG LIFE ALGICIDE
The ONE TREATMENT
Pool water algicide that eliminates algae and gives crystal clear pool water for up to six months.
Just follow these 6 easy steps.
1. Adjust the pH level to 7.2.
2. Brush floors and walls of pool *before* adding Kleen Pool to loosen algae.
3. Add the recommended dose of Kleen Pool and circulate. One quart of Kleen Pool per 5,000 gallons of pool water.
4. Use a filter or vacuum to remove dead algae.
5. Add chlorine at the recommended dose rate prior to swimming. Liquid chlorine is recommended.
6. Maintain pH of pool water between 7.2 and 7.6.
